

Let's talk about how you
can help the
environment

Treefer

Why care about the Earth?

1

Our only home (for now at least)

2

It's also a home to a million different species

3

Its climate is worsening

4

We are the only ones who can help ourselves

A green speech bubble graphic with a white outline, containing the text 'What's Treefer'.

What's Treefer

Treefer is a platform for "green-minded" people to build a community and contribute towards keeping our home safe and striving to make it a better place to live.

**When we come together, we
can do anything. But let's see
what Treefer does to actually
facilitate building a
community...**

**How does Treefer
help ?**

Treefer

At its absolute core, Treefer helps you get the word about events and let's you join them in a single click!

1

Create an event

2

View events around the world

3

Join an event

Events

An event could be a number of things. A few examples are

1

Donation drive

2

Online webinar

3

Cleanliness drive

4

Protest

A green speech bubble with a white question mark inside, pointing towards the main text.

Is that it ?

That is not all. Treefer has its own social media component where people can post and view each other's content. This helps in increasing global engagement and building a community.
